

1-Click Travel Planning & Booking

Mission\_

**Give people the capacity to travel more by  
simplifying travel planning and booking**

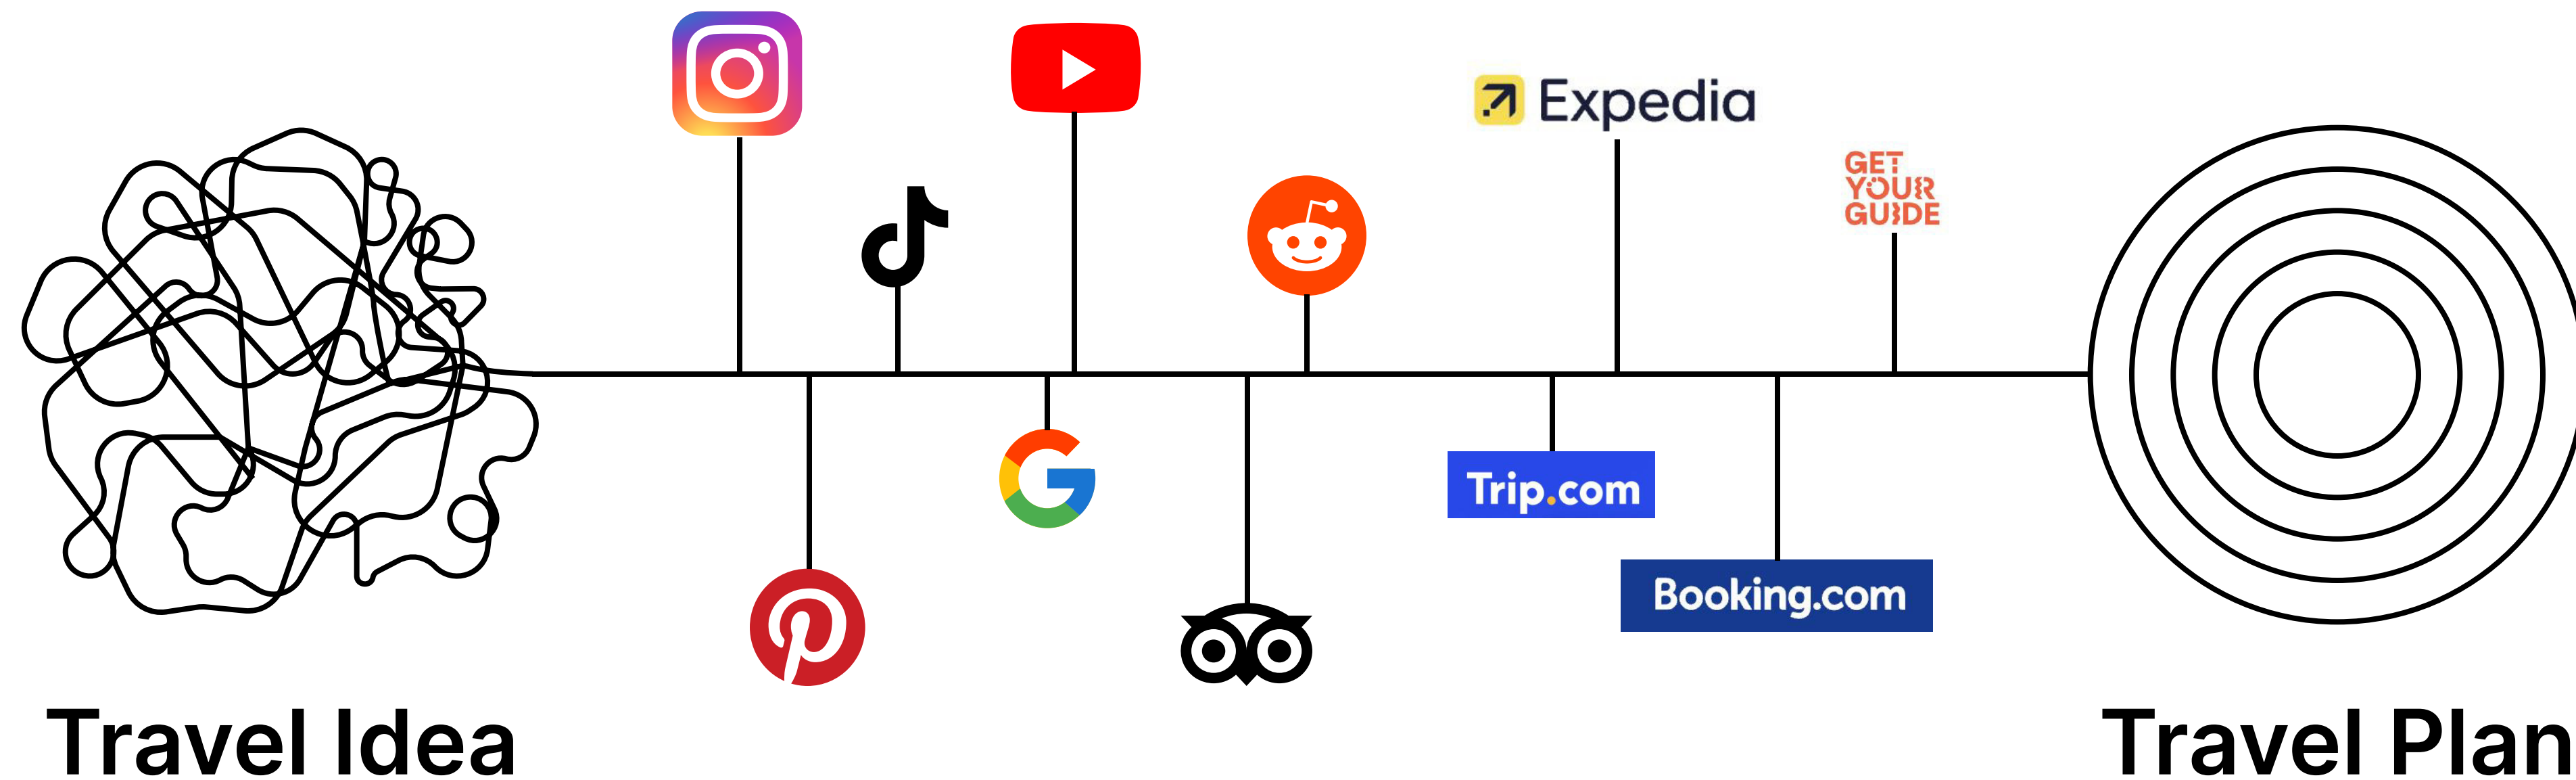

Meet Safar\_

# An end-to-end travel platform that combines travel planning and booking

Problem\_

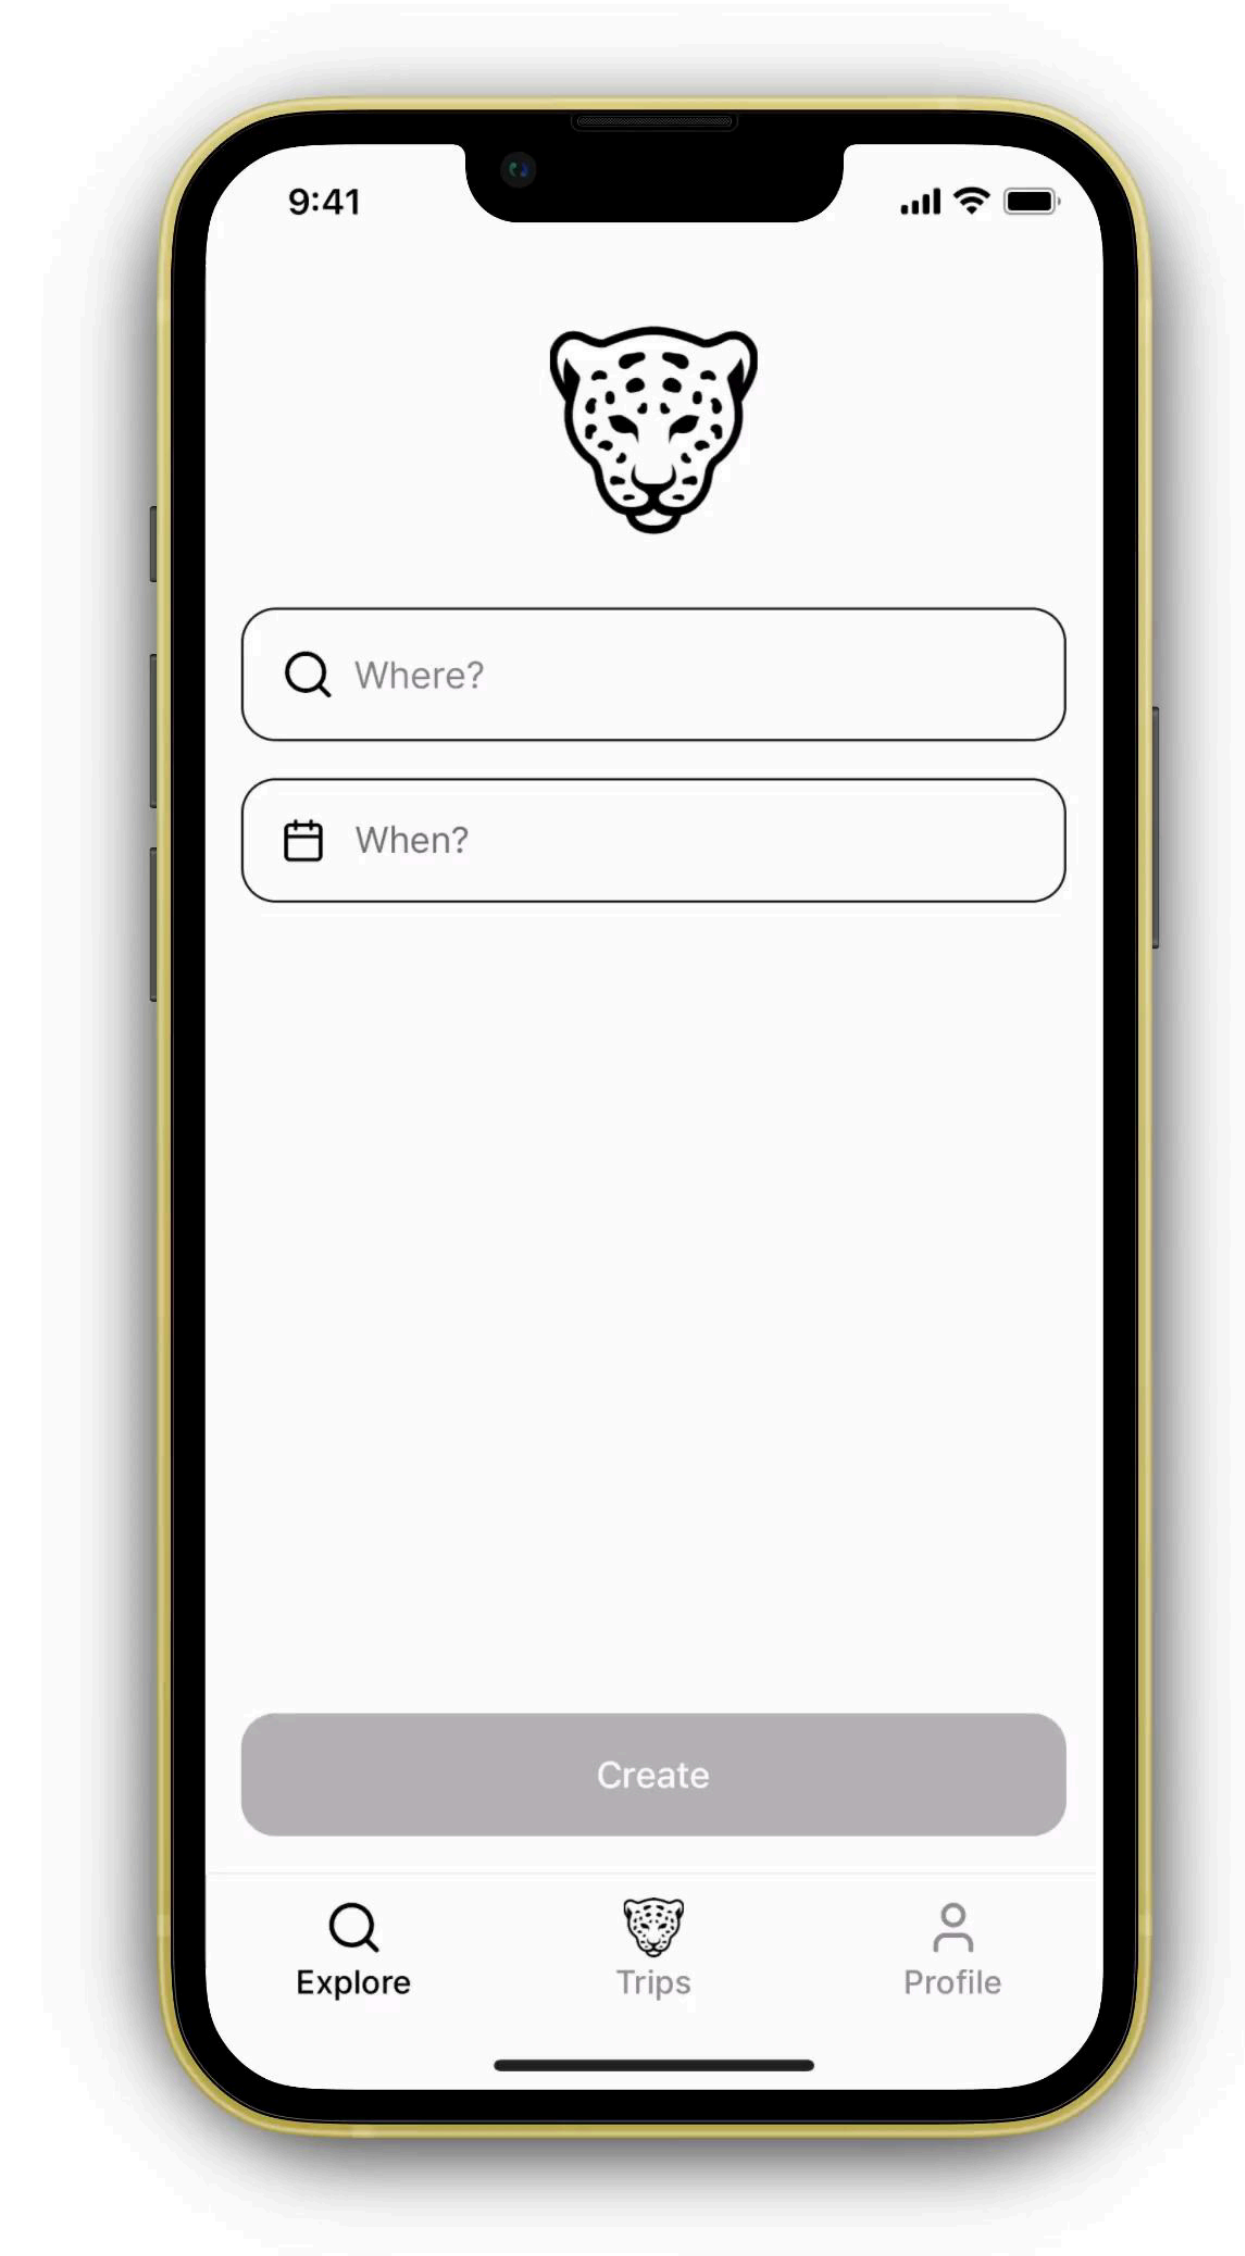

**Travel planning is time-consuming, complex, and fragmented across multiple platforms.**

Product\_

**Safar allows you to do  
travel planning in seconds**

**We create travel itineraries**

## **We have two income streams**

### **Subscription**

**We charge users a \$30  
annual subscription fee**

### **Commission**

**We charge hotels & airlines  
a booking commission fee**

Traction\_

**We have early traction**

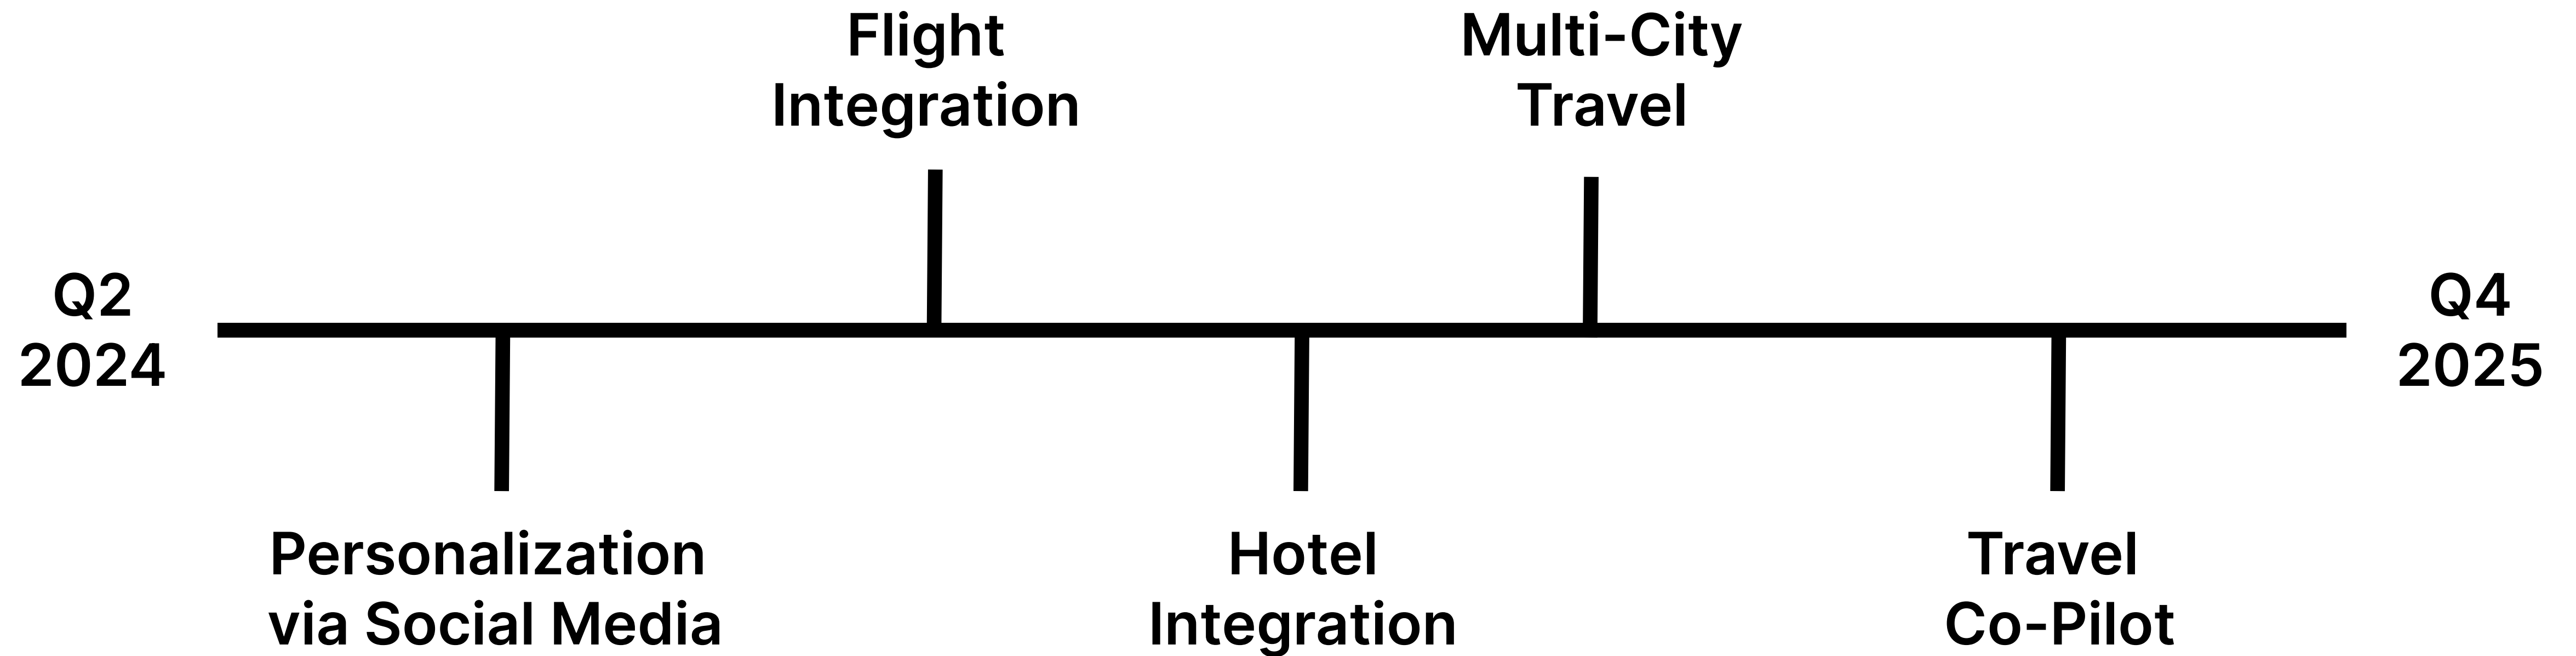

Downloads

**127**

Subscriptions

**13**

**We are not feature complete (yet)**

Team\_

# We can build the product from end-to-end

Sultan Hamid, CEO
